This release contains forward-looking information and statements, as defined by law including without limitation Canadian securities laws and the "safe harbor" provisions of the US Private Securities Litigation Reform Act of 1995 ("forward-looking statements"), respecting the Company's plans and intentions with respect to this private placement and the plans, intentions, beliefs and current expectations of the Company, its directors, or its officers with respect to the future business, well drilling and operating activities and performance of the Company. Forward-looking statements involve risks, uncertainties and other factors that may cause actual results to be materially different from those expressed or implied by the forward-looking statements, including without limitation the ability to obtain government and other necessary approvals; dependence on third parties for services; non-performance by contractual counterparties; the risks associated with the oil and gas industry (e.g. operational risks in development; exploration and production; delays or changes in plans with respect to exploration or exploration projects or capital expenditures; the ability to obtain financing on satisfactory terms; the uncertainties of reserves estimates; the uncertainty of estimates and projections relating to production, costs and expenses, safety and environmental risks), commodity price, price and exchange rate fluctuation and uncertainties from potential delays or changes in plans with respect to exploration or development projects or capital expenditures. Forward-looking statements are based on a number of assumptions that may prove to be incorrect, including without limitation assumptions about: general business and economic conditions; the timing and receipt of required approvals; and ongoing relations with employees, partners and joint venturers. The foregoing list is not exhaustive and we undertake no obligation to update any of the foregoing except as required by law. Important additional factors are described in the Company's period reports and other filings with the Canadian Securities Commissions which may be viewed at sedar.com and with the Securities and Exchange Commission which may be viewed at the Commission's website at <http://www.sec.gov>.
