Dejour to Raise \$21.2M Privately

Vancouver, British Columbia, Canada, April 24, 2007 – Dejour Enterprises Ltd. ("Dejour") (TSX-V: "DJE", OTCBB: "DJEEF") Robert L. Hodgkinson, Chairman & CEO announces that Dejour Enterprises Ltd. has agreed to raise up to CDN\$21.2 M through a non-brokered private placement of 8 million units at CDN\$2.65 per unit, with a green shoe provision to increase the offering by 25%, subject to regulatory approval.

Each unit comprises of one common share and one half common share purchase warrant. Each full warrant is exercisable into one common share at CDN\$3.35 per share for 2 years. The Company will have the right to call early exercise of the warrants should the closing price of the Company's common shares equal or exceed CDN \$5.00 for 10 consecutive trading days.

Dejour has agreed to pay a finders' fee of 6% in cash of the amount raised and issue to agents a compensation option equal to 7% of the units sold, where applicable, exercisable into common shares at CDN\$3.35 per share until 31 December, 2008, with the same call provision as the purchase warrants referenced above.

Pursuant to private placement regulations, a four month "hold" period will apply to all securities to be issued, commencing from date of closing, expected on or before 25 May 2007.

Funds will be utilized for continued development of the Company's North American energy holdings, to fund potential acquisitions and for working capital.

About Dejour

Dejour Enterprises Ltd. is a micro cap Canadian company focused on oil & gas exploration and production with a significant investment in uranium discovery. The company acquires and exploits high-impact energy exploration assets, strategically monetizes them through development, partnerships and co-ventures targeting risk minimization and return maximization.

Dejour has significant holdings in three of the world's premiere energy resource regions. This includes 288,000 gross (60,000 net) acres in the Piceance and Uinta Basins, a vast natural gas play in North America and a major interest in Titan Uranium Inc. (TSX-V: TUE), with 1.44 million acres of uranium exploration lands in northern Canada's Athabasca and Thelon Basins. Finally, the Company is developing multiple opportunities including a recently reported discovery, in the Peace River Arch, Western Canada's most prolific exploration area, with interests in over 45,000 acres of oil and gas leases.

The Company is listed on the TSX Venture Exchange (DJE.V), OTCBB (DJEEF), and Frankfurt (D5R). Dejour is a reporting issuer to the SEC. Refer to www.dejour.com for company details or contact the Office of Investor Relations at investor@dejour.com
